

Taylor Healthcare Products, Inc. continues as the industry leader in quality, innovation and customer service!

Taylor Healthcare's EMS Components are specifically designed to offer you the highest quality disposable accessories to insure the comfort and protection of your patients.

- **Yellow Emergency Blanket:** soft but tough weather-barrier blanket protects patients and/or acts as a tarp at an accident scene
- **Quilted Blanket:** hypoallergenic, disposable blanket made of non-woven fabric with a poly fill, provides warmth and comfort
- **Absorbent Underpad:** quilted layers absorb and contain fluids quickly
- **Impervious Sleeve:** ideal protection at an accident scene or in a high-fluid situation
- **Bathing Components:** disposable bath linens used to maintain the cleanliness of emergency shelters and to clean cots and ambulance interiors
- **Flat Sheets and Privacy Flat Sheets:** non-woven sheets come in white and dark blue and provide privacy for patients
