

Spit Hood

Taylor Healthcare Products, Inc. continues as the industry leader in quality, innovation and customer service!

Our Taylor Spit Hood is designed with a fine mesh allowing adequate visibility and complete breathability while minimizing exposure to cross-contamination through saliva or biting.

The hood easily slips over the head and is held in place with secure elastic without applying pressure to the individual's airway.

- Deters biting and spitting
- Reduces the risk of cross-contamination
- Elastic neckline for easy application & removal
- Non-latex material
- Available in cases of 50
- One size fits most
