

Taylor Nylon Webbing

Taylor Healthcare Products, Inc. continues as the industry leader in quality, innovation and customer service!

Taylor's 1" flat webbing is made to exacting standards. With a tensile strength of 4,000 pounds, this vibrant, high-visibility yellow webbing is versatile in fire and rescue applications, including but not limited to patient restraints, straps and equipment tie downs. Heat-sealed ends and a continuous, seamless roll reduce the possibility of fraying. This item is a must have for any Fire Department or EMS Service.

- 1" wide x 14 yards (42 feet)
- 4,000 pound tensile strength
- Seamless continuous roll
- Heat sealed ends
